**Everything about green energy, conserving resources, conservation and safety."**

The Hervormde Kerk in Warmbaths will present the **WARMBAD BOSVELDFEES** on Saturday 30<sup>th</sup> April 2016 from 08:00 till 17:00 for the third time. The Bosveldfees is unique in its own right seeing that it is a festival with stalls, performers and fun activities for the whole family but still have the typical atmosphere of a countryside church fete.

**The Bosveldfees in 2016 will be a showcase of everything about green energy, conserving resources, conservation and safety.** Learn how to live green while you enjoy tasteful Bosveld food such as pap & kaiings, pannekoek, koeksisters, home brewed gemmerbier, quality meat, boerewors, biltong and a variety of other traditional food.

The event takes place on one of the busiest long weekends in Bela-Bela.

We would like to present to you the opportunity to be a part of this exciting festival.
